We offer inclusive **in-school, after-school, family engagement/community programs** that combine technical instruction with creative skill-building and collaborative learning. We work in a variety of styles including African, Latin, Jazz, Hip Hop, Bollywood, Step, Folk, Line Dance, Creative Movement, Ballet, Modern and More! Programs can be connected to curricula studies and/or themes and culminate with a final performance for families. **We serve 3K-12 in all 5 NYC boroughs** and align with the Department of Education's *Blueprint for Teaching and Learning in the Arts*.

We are rooted in our mission of offering access, nurturing community, and promoting individual expression and freedom. In our programs students learn **life-long skills** like leadership, problem solving, and self expression. Programs foster self-discovery, risk-taking, and making connections.

Community Workshops and Performances

Workshops

We offer community and family engagement events. Participants will experience dance together through active physical dance activity, reflection, and guided observation. The Family Program can build upon a foundation of dance students may already be learning during the school day or expose them to new forms of dance. Typical 60-90 minute workshop formats include the following themes:

- Dance Around the World (*round robin of 3 global dance forms*)
- Creative Choreography
- Literacy/Poetry
- Mini Workshop Series (3-4 sessions)
- Customized to a School Theme

Live Performance from Amanda Selwyn Dance Theatre

We offers a live performance + workshop and Q&A from our professional dance company, Amanda Selwyn Dance Theatre. Students and families will experience dance's vital power to tell stories, entertain, and bring communities together.

**Assembly formats or after-school events available.*
